The Speaker addressed the House. Upon unanimous consent request of Representative Sanders the remarks of Speaker McCall were ordered printed in full as follows:

“Thank you. Thank you.

Thank you, members, for once again entrusting me with the great honor of serving as Speaker of the House.

And thank you to the people of House District 22 for giving me the honor of serving as your voice here at the State Capitol. I will continue to represent you with dedication and integrity, and I will never take for granted the trust you have placed in me.

I do have one constituent in particular here that I would like to recognize and thank—The Speaker of the McCall House, my beloved wife of 25 years, Stephanie Ann McCall. I know that some of you are aware of the health challenges we have faced, and Stephanie and I both want to thank you for your prayers and support. I'm blessed to announce that Steph is now 7 months cancer free.

My two children, now young adults – Charles A McCall, V (19 years of age) who is now in college and just completed his first semester at the University of Oklahoma and more importantly who has been asked to return for a second semester. Chase we are very proud of you and I think your grades may have been better than mine in that first semester.

My youngest son Carson Hays McCall (16 years of age) who is equally excited that his older brother is now in college and going back for another semester next week. Many of you will see Carson at the Oklahoma Youth Expo this spring as he is involved in FFA and showing livestock.

I would also like to recognize and acknowledge my father Charles Andrew McCall for being here today for the beginning of my second term as Speaker of the House and Dad I thank you for all the support and encouragement and advice in life and public service. For teaching me to love others and put others before self and God before all.

Members, I'm proud to say that our state is in much better condition today than it was the last time I stood at this Dias to address this body.

Two years ago, we faced crushing budget deficits that forced us to make some decisions no one wanted to make. But we worked together, and did the job that Oklahomans elected us to do. It was not easy

But we did it. Democrats, Republicans...conservatives and liberals and everyone in between—we came together to do what was best.

Today, we reap the benefits.

When I first stood here to accept the gavel as Speaker of the House, we faced a budget deficit of 1 Billion dollars. We had cut spending 4 straight years. Today, we expect a surplus in excess of 500 million dollars.

When I first addressed this body as Speaker, Oklahoma teachers had not received a pay raise in nearly a decade. Today, teachers on average earn \$6,100 more.

I don't say those things to claim credit in any way, because they are not my accomplishments—they are OUR accomplishments. No one person or party can take credit for what we all did together. Oklahoma's success is OUR success.

I realize that many were not in this chamber over the past few years. Count yourselves lucky.

I know the view from the outside sometimes looked messy. Believe me: the view from the inside didn't look all that great either. Our crisis was big, the hours were long, the terrain was rocky, but we met the challenge and today looks brighter than when I first accepted this gavel.

I think the lesson moving forward is that we compromised and we united around one single goal: to do what's best for the People of Oklahoma. I hope that's why each of us decided to run for office, to work for the people.

At times, we may have different ideas. We often stand strong for the principles of our diverse constituencies. Principled leadership is important. AND as representatives, we must work together to find a path forward that is in the best interest of all.

I know that working with Leader Emily Virgin will bring about opportunities for solutions, and I look forward to her leadership as Minority Leader. I look forward to working with all members to accomplish great things for Oklahoma over the next few years.

First and foremost is to continue our investment in public education. We have made great progress over the past year, increasing teacher pay and funding for our schools. But our work is not done. We must continue to invest, increase teacher pay, and make Oklahoma's school children a top priority.

My goal is to make Oklahoma teachers *first* in the region for pay, and to ensure our students are prepared to succeed and compete globally. At the same time, we must put parents back in charge of their children's education and give underprivileged families more options and more opportunity to thrive.

My goal also is to continue improving our state's economy, so that our children will have jobs and prosperity once graduating from a top-notch educational system.

I know there are many new faces in the chamber today, but you aren't the only ones new to the job. The people of Oklahoma elected a new governor in November, and I want to congratulate Governor-elect Kevin Stitt on his victory.

Governor Stitt was a businessman and a job creator before being elected, and that experience couldn't be more important than at this time in our history.

And he is the leader Oklahomans chose.

I'm sure I'm not the only member today who hopes the new Governor is successful. His success is our success. To that end, I hope this body and the Senate will agree to grant him the tools needed to truly reform the Executive Branch of state government.

The most important tool we can give him is the authority to hire and fire agency directors. This will provide an unprecedented level of accountability. The People of Oklahoma deserve it.

Last year, the House passed a measure that would create a legislative-level office to provide enhanced legislative oversight and accountability of state agencies on how agencies spend state appropriated tax dollars through detailed review and reporting. I am pleased to see that measure has leadership support in the Senate and will be advanced to the Governor this session.

The Legislature is not a state agency; it is one of the three constitutional branches of government, and it must deploy the necessary resources to provide oversight and accountability on how state agencies spend the monies they receive through appropriations.

While we may not agree on every policy considered on this floor, one area I hope will have wide support is on the issue of Criminal Justice Reform.

Oklahomans have made it clear that they want us to put violent criminals behind bars—not low-level offenders who struggle with addiction. Oklahomans want us to protect their families, not punish people who face the challenges of poverty, mental health illnesses or other barriers to success.

We have made significant progress pushing rehabilitation over incarceration. I hope we can accomplish even more **more Common Sense, more Hope, more Opportunity. That is what Oklahoma should be about.**

Colleagues, with regard to how we treat each other it is our civility and decorum toward each other that will define this institution; even one member who chooses to disrespect another disrespects the entire institution. The bible instructs us to choose our words wisely. Let us decide today that the People's House is a House of Honor. We must all rise up to meet this challenge.

Members, I am optimistic about Oklahoma's future and I am optimistic about the 57th Legislature.

Thank you once again for entrusting me to serve as your Speaker of the House.

God Bless You, God Bless the House of Representatives, and God Bless Oklahoma!"

Speaker McCall Presiding**ELECTION OF SPEAKER PRO TEMPORE**

Speaker McCall announced the nominations for Speaker Pro Tempore were in order.

Representative Kannady nominated Representative Wright for Speaker Pro Tempore of the House, which motion was seconded by Representative Baker.

Representative Perryman nominated Representative Loring for Speaker Pro Tempore of the House, which motion was seconded by Representative Munson.

Representative Russ moved that nominations for Speaker Pro Tempore cease, which motion was declared adopted.

Speaker McCall put the question: "Shall the Honorable Harold Wright or the Honorable Ben Loring be elected Speaker Pro Tempore of the House of Representatives for the Fifty-seventh Legislature?"

The roll was ordered called and resulted as follows:

Wright: Baker, Boatman, Boles, Burns, Bush, Caldwell (Chad), Caldwell (Trey), Conley, Cornwell, Crosswhite Hader, Davis, Dills, Echols, Fetgatter, Fincher, Ford, Frix, Gann, Grego, Hardin (David), Hardin (Tommy), Hasenbeck, Hilbert, Hill, Humphrey, Johns, Kannady, Kerbs, Kiger, Lawson, Lepak, Luttrell, Manger, Marti, Martinez, May, McBride, McDugle, McEntire, Miller, Mize, Moore, Newton, Nollan, O'Donnell, Olsen, Osburn, Pae, Patzkowsky, Pfeiffer, Phillips, Randleman, Roberts (Dustin), Roberts (Sean), Roe, Russ, Sanders, Sims, Smith, Sneed, Stark, Steagall, Sterling, Strom, Tadlock, Talley, Taylor, Townley, Vancuren, Wallace, West (Josh), West (Kevin), West (Tammy), Worthen, Wright, Mr. Speaker. --76.

Loring: Albright, Bell, Bennett, Blancett, Branham, Brewer, Dollens, Dunnington, Fugate, Goodwin, Lowe, Meredith, Munson, Nichols, Perryman, Pittman, Provenzano, Ranson, Rosecrants, Virgin, Waldron, Walke.—22.

Excused: Loring, Ortega, Stone.—3.

Speaker McCall declared Representative Wright elected Speaker Pro Tempore of the House of Representatives for the Fifty-seventh Oklahoma Legislature and appointed Representatives O'Donnell, Fetgatter, Sanders and Hasenbeck to escort Speaker Pro Tempore-elect Wright to the rostrum where he was administered the Oath of Office as Speaker Pro Tempore by Oklahoma Supreme Court Justice James R. Winchester.

Speaker Pro Tempore Wright addressed the House.

Upon unanimous consent request of Representative West (Tammy), the remarks of Speaker Pro Tempore Wright were ordered printed in full as follows:

“I want to thank and recognize my family, constituents and friends who have joined me today for my election and swearing in as your Speaker Pro-Tem for the 57th legislature. I also would like to thank Representative Kannady and Baker for their kind nominating speeches and the unanimous confidence placed in my election by the Republican Caucus. It is a great honor to be elected again, as your Speaker Pro-Tem. I am proud to represent the entire body...the People’s House which makes it even more meaningful. To Democrats, I promise to be reasonable and fair in my rulings as Presiding Officer and in leading the Presiding officer team.

Things look different because of our perspective. People do not always see things in the same way...let me illustrate. I was recently watching a basketball game at Southwestern Oklahoma State University. There were a couple of young boys standing close by, staring at me...one of the boys finally said ‘are you old’....somewhat taken aback, I said ‘not that old, why do you ask?’

The youngest boy said, ‘because your neck is wrinkled.’

You see, I am not old but this place can certainly wear on you. When I was elected 10 years ago, I looked like Kyle Hilbert...at least I thought I did. The point is that you are never too old or young to make a difference. Members...This is the first day of the rest of your career as a state legislator. We need to stop and ask two questions: What type of legislator will we be, and will we be a part of the problem or a part of the solution?

Since we have 46 new members and over 70% of us were elected in the last 2 years, this message is mostly directed to you but could also apply to us senior members.

During my first year, I was working on a bill with the Judiciary Chairman, and he really made me jump through the hoops to get my bill right and in order before he would hear it. He said, ‘when you come in here, it doesn’t take very long to define who you are.’ At first, I was not sure what that meant, but the longer I am here, the better I understand. The way you act and the job you do for the legislature and your constituents will be defined by your integrity and character.

I would suggest the following

1. Hard work-Example Jason Nelson (Nicole Henry Scholarship for children with learning disabilities)
2. Be a resource and contributor to the body-Example Dennis Casey (Education and school administration)
3. Support the Team...someone once said there is no I in team. Ex: Earl Sears (he often voiced his concern or disagreements, but was always a team player)

When you think about it, although we are D’s and R’s, we are all first Oklahomans on the same team, working to make Oklahoma better. For senior members we need to set a good example in the way we act and serve others.

My first couple of years in the legislature we watched Sue Tibbs and Minority Leader Danny Morgan work together on legislation against texting and driving. No matter our age or how long we have been here, we need to work together to have a successful legislature and make Oklahoma a top 10 state. Both parties can work across party lines to get policy and the budget adopted.

This year will be a challenge. We must address the regulation of marijuana with a fine line drawn between true regulation and the vote of the people to allow for access to legal medical marijuana. The non-partisan committee will be coming forward with legislation, and my hope is that we can work together to provide the necessary framework to implement meaningful law.

It also appears we will have a surplus of revenue for the first time in several years. It reminds me of when I was a young boy, and we sat around the table on Sunday noon and fought over who was going to get an extra piece of fried chicken. This year we will have some extra, and there will be a fight to see who gets more. Unfortunately, there is not enough to go around, and some will be unhappy. At least, we have more, and that is much better than the past. Since my daughter is a District Attorney, I could suggest giving more dollars to the DA Council...seriously, there are many needs, and the challenge is working together to provide for a better and more productive state government.

In closing, I would like to refer to the Bible...a scripture from Micah 6:8 that hangs on the wall in my room while I prepare to come to the legislature each day.

Eugene Peterson's interpretation from THE MESSAGE goes like this:

'But he's already made it plain how to live, what to do.

What God is looking for in Men and Women.

It is quite simple: Do what is fair and just to your neighbor,

Be compassionate and loyal in your love,

And don't take yourself too seriously—

Take God seriously."

Upon receipt of such a written declaration, the Clerk of the House shall notify the President Pro Tempore of the Senate, the Governor and the Chief Justice of the Oklahoma Supreme Court. Thereafter, when the elected Speaker transmits to the Speaker Pro Tempore and the Clerk of the House his or her written declaration that no such incapacity exists, he or she shall resume the powers and duties of the office of Speaker of the House.

(g) Regardless of whether the House is in session, whenever the elected Speaker transmits to the Speaker Pro Tempore and the Clerk of the House a written declaration that he or she is unable to discharge the powers and duties of the office of Speaker of the House, and until he or she transmits to them a written declaration to the contrary, such powers and duties shall be discharged by the Speaker Pro Tempore as Acting Speaker. Upon receipt of such a written declaration, the Clerk of the House shall notify the members of the House of Representatives, the President Pro Tempore of the Senate, the Governor and the Chief Justice of the Oklahoma Supreme Court. Thereafter, when the Speaker transmits to the Speaker Pro Tempore and the Clerk of the House his or her written declaration that no inability exists, he or she shall resume the powers and duties of the office of Speaker of the House. When acting as Speaker pursuant to this provision, the Speaker Pro Tempore shall not exercise the Speaker's powers of appointment nor shall the Speaker Pro Tempore be included in the line of succession to the office of Governor, as provided by Section 15 of Article VI of the Oklahoma Constitution.

(b) A notice shall state the date, time and place of a meeting and shall include a listing and sufficient title for identification of any and all bills to be considered by the committee or subcommittee holding the meeting. The measure's principal author and the members of the committee or subcommittee shall be provided separate notice.

(c) If a committee or subcommittee is scheduled for a regular meeting, but does not plan to meet, a notice stating that no meeting is to be held shall be posted.

(d) Bills or resolutions published on a meeting notice but not considered shall not be taken up in a subsequent committee meeting unless said bills or resolutions are listed on the meeting notice announcing the items of business to be considered in the later meeting.

7.6 – Amendments

(a) Committees and subcommittees may only consider amendments presented in final written form prior to adoption.

(b) Any member of the House may offer an amendment to any bill or resolution being considered by any committee or subcommittee and shall be recognized to introduce the amendment. If the member is not present, the amendment may only be considered if taken up and offered by a member of the committee or subcommittee.

(c) Any member offering an amendment, including a member of the committee or subcommittee, must submit the proposed amendment in electronic form to the chairperson by 4:30 p.m. the legislative day before the meeting of the committee or subcommittee. If a written report is prepared by a member other

than the chairperson of the committee, a written notice that a report is being prepared shall be given to the chairperson prior to the circulation of the report for signatures.

(b) Only the vote on recommendation for final passage out of committee to the full House concerning a bill or resolution shall be by recorded vote. Recommendation for final passage out of committee shall require a majority vote of a quorum of the members of the committee.

(c) As used in this section, "recommendation for final passage out of committee" means a "Do Pass", "Do Pass as Amended" or a "Do Not Pass" motion. A "Do Pass" motion takes precedence over any other motions for final passage.

(d) Only those committee members present may vote on any matter. No person shall cast a vote on behalf of any committee member eligible to vote in any House committee.

7.8 – Committee Recommendations

(a) When any committee returns a bill or resolution with the recommendation of "Do Pass" or "Do Pass as Amended", the same shall be published on the House Calendar in numerical order by bill or resolution number under the heading "Bills on General Order" or "Joint Resolutions on General Order".

(b) If a committee does not return a bill or resolution with the recommendation of either "Do Pass", "Do Pass as Amended" or "Do Not Pass", the bill or resolution shall remain the property of the committee, unless the bill or resolution is placed directly on the House Calendar by the Speaker or is discharged pursuant to Section 7.7 or Section 7.12 of this Rule.

Ex officio members of a committee may electronically sign such petitions and shall count towards the necessary signatures as required by this section.

If the petition contains the necessary signatures, the Clerk shall forward the petition to the appropriate committee chair.

(d) The accuracy of a fiscal or actuarial analysis contained within the bill summary shall not be a basis for a point of order under these Rules.

(e) The principal House author may publish what he or she believes to be the "legislative intent" of the measure in question. Such a document shall not be drafted by persons employed within the Legal, Fiscal or Research Divisions of the House Staff; however, the principal House author may consult with such employees as needed.

(b) The adoption of an amendment to a section shall not preclude further amendment of that section so long as subsequent amendments do not purport to amend the same language previously amended. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order.

(c) For the purpose of this Rule, an amendment shall be deemed pending only after its author has been recognized by the presiding officer and has moved its adoption.

(h) When a point of order is called, no member shall approach the presiding officer or the parliamentarian until after the presiding officer has ruled. (b) No member who obtains the floor on a question of personal privilege, or on a question of privileges of the House, shall debate any question, matter or measure then pending in the House, or in any standing or special committee of the House, nor shall the member be allowed to yield the floor for questions from other members.

9.6 – Voting and Division

(a) The electronic voting machine shall be used to record the vote whenever the ayes and nays are required or ordered. The machine shall also be used to determine the presence of a quorum, or to determine the numerical count where a division is requested. In the event the machine is not operating properly, all votes and determinations of quorums may be taken by calling the roll. If a member's voting device is out of order, the member shall rise and so announce to the presiding officer and cast said member's vote orally prior to the declaration of the result of the vote. Every member shall vote providing the member is in the Chamber at the time the vote is in progress.

(b) The electronic voting machine shall be under the control of the presiding officer and shall be operated by such clerk as the presiding officer so designates. At a reasonable time prior to any vote being taken, the presiding officer shall announce that a vote is about to be taken. When any member other than the Speaker is presiding, the member shall use the roll call switch located at the presiding officer's position upon the dais. When the Speaker is not presiding, the Speaker may direct the presiding officer to activate the Speaker's roll call switch in the manner requested by the Speaker. Any member who is present on the House Floor may direct another member to activate said member's roll call switch in the manner requested by that member. The presiding officer, while a vote is in progress, shall not direct the clerk to activate another member's roll call switch until the final sixty (60) seconds of the two-minute period required by paragraph (c) of this section and only if the member is present on the House Floor.

(c) Each recorded vote for final passage will be held open for at least two (2) minutes or a shorter time if the presiding officer determines that all members recorded as being present have voted.

(d) When sufficient time has elapsed for each member to vote, the presiding officer shall ask if any members present desire to vote or change their vote. Following such inquiry and before the electronic voting machine is locked, any member may be excused from voting, pursuant to the provisions of Section 24 of Article V of the Oklahoma Constitution.

(e) The presiding officer shall then lock the machine and instruct the clerk to record the vote. The clerk shall immediately activate the recording equipment and when the vote is completely recorded shall advise the presiding officer of the result, and the presiding officer shall announce the result to the House. No vote may be changed after it has been recorded.

(f) No member may vote for another member, nor may any person cast a vote for a member, except as otherwise provided in this rule. A member who votes for another member, except as herein provided, may be punished in a manner the House determines. A person voting for a member, when not authorized by this rule, shall be barred from the Chamber and may be further punished as the House considers proper.

(g) When a division is requested and ordered, those in the affirmative or the negative, as the case may be, shall cast their votes accordingly and the clerk shall activate the electronic voting machine so as to reflect the individual ayes and nays and the numerical count, but no permanent record thereof shall be made. When the vote is completed, the clerk shall advise the presiding officer of the result, and the presiding officer shall announce the result to the House. In the event the machine is not operating properly, those in the affirmative shall arise from their seats and stand until they are counted aloud by the clerk, then those voting in the negative shall arise and stand until they are counted, and the presiding officer shall announce the result.

(h) Except as provided in paragraph (b) of Section 8.18 of these Rules, all votes on final passage of bills and resolutions, or the emergency clause thereof, shall be by recorded votes. All such recorded votes shall be published in the House Journal.

(b) Unless presented and considered within three (3) legislative days, including the day upon which notice is served, a motion to reconsider shall be considered as having failed of adoption.

(c) A motion to reconsider may be offered immediately or upon the same day the final vote is taken by the member who served notice, or by another member with said member's consent. On the last day of the reconsideration period, any member may seek recognition for a motion to reconsider.

Speaker McCall Presiding

STATE OF THE STATE

Upon unanimous consent request of Representative Echols, the Governor's message was printed in full as follows:

"It is such an honor to be with you today. I'd like to take a moment to recognize the honored guests with us:

Lieutenant Governor Matt Pinnell, statewide elected officials, President Pro Temp Greg Treat, Speaker Charles McCall, Speaker Pro Temp Harold Wright, members of the 57th Legislature, cabinet members, Chief Justice Noma Gurich and members of the Oklahoma Supreme Court, tribal leaders, friends, guests, my beloved First Lady – Sarah, my six children, my parents, and the most important audience – my fellow Oklahomans. I stand before you today to offer a vision for Oklahoma's future that gives purpose and direction for how our new administration will lead the state. My vision for Oklahoma is very clear and simple: to make Oklahoma Top Ten. My purpose is to work with you to deliver a turnaround that ensures a better future for all four million Oklahomans. I believe it is a purpose we all share in this room today.

Before we get into the details of my very first budget, I want to discuss how we position Oklahoma well for a "turnaround" by defining the term and the expectations for this vision.

Oklahoma's "turnaround" is when our state stops moving in the direction of decline and begins moving in the direction we want to go: to be Top Ten in the nation. To get there, it will require three steps:

First – We must bring together people from across the state, with various backgrounds, skills and talents, to serve in critical leadership roles.

Second – We must set measurable goals and put metrics in place so every state employee, agency leader, member of my administration, and each of you in our Legislature can be part of one team with one vision.

Third – We must hold ourselves responsible for delivering results and reimagine the possibilities. I've said it before, Oklahoma's challenges are no different than any other state – and Oklahoma's opportunities, I believe, are the best in the nation.

Going through this process will put Oklahoma on the path to be Top Ten. And if anyone thinks that becoming Top Ten is just a campaign slogan, let me tell you, this

turnaround is already under way with individuals who are delivering Top Ten outcomes in their own classrooms, communities, and industries.

Consider Donna Gradel – An environmental teacher in Broken Arrow Public Schools. Two weeks ago, she was named one of the Top Four teachers in the nation. Donna reimagined the classroom. She moved beyond the textbook by taking her classroom outside to partner with the city of Broken Arrow to clean public water and by taking the classroom to the world by developing a system to provide sustainable food sources to orphans in Kenya.

Donna, thank you for being here today.

Consider the Gathering Place – USA Today named it the number one place in America to visit in 2019. It is an example of public-private partnership. Where 55 acres stretched across the Tulsa river front, the George Kaiser Family Foundation reimagined a free park that is bringing together all ages, races, and categories of people to enjoy Tulsa.

Consider the Oklahoma Youth Expo Community. In the early 2000s, this youth livestock show was struggling to survive, but donors, Oklahoma families, and the Legislature came together, assessed their resources, and reimagined the program. Today, OYE is not just the #1 junior livestock show in America, it is the largest in the world. Today, OYE garners young participants from all 77 counties, awards hundreds of thousands of dollars in education scholarships and has shown a \$22 million economic impact on Oklahoma City.

These are just a few examples of Oklahomans who brought together a team, set measurable goals, reimagined the possibilities, and executed on their vision to deliver Top Ten results.

Today, as I present my first budget, I ask you to join me in reimagining. Today, as we consider the state of our state, Oklahomans are presented with revenue growth of potentially \$600 million, a 3.6 percent unemployment rate, rising wages and a spirit of optimism.

This is because of Oklahomans who are working hard, taking risks, opening new businesses, and creating jobs. The government does not create wealth, only the private sector can. In my administration, every policy decision will promote a healthy economy.

I want to also recognize President Pro Temp Greg Treat and Speaker Charles McCall who provided committed leadership over the past few years to make hard decisions to demonstrate our state's support of core services that Oklahomans and job creators rely on. As I promised on the campaign trail, I brought them in to our process of reimagining the budget.

As I outline my administration's priorities this year, I want to make it clear: as elected officials, we will not always agree on the specifics of every policy – and that's ok. We are each elected for different reasons and because of specific issues.

But you will always find my office willing to work with you and to be open minded on policy differences, because what unites us in this room is that we are committed to reimagining how we can do state government better and deliver a brighter future for Oklahomans.

First, let's reimagine state government. Our state Constitution vests supreme executive power in the Office of the Governor, but too often that executive power has been delegated by statute to boards that are not directly accountable to the citizens of Oklahoma. State government today is much larger than it was 112 years ago. As a result, accountability for those in power is spread too thin and, at times, it seems as if no one is really in charge.

The Health Department's crisis in 2017 taught us this lesson, and the Legislature wisely restructured the agency's board into an advisory role and gave the executive branch the authority to fire and hire a new leader. Let's not wait for another crisis to start making this necessary reform across our largest agencies.

Oklahomans want three things: accountability, transparency, and results. I know the legislature wants it too.

Both Senate and House leadership are committed to addressing the structure of our state's largest agencies so that government is held more accountable to the people. By granting the governor hiring authority, you will know exactly where the buck stops – at my desk.

But reform should not stop here. We will also seek to remove board members across state government when they have conflicts of interest. And we will look to sunset and consolidate boards and commissions where there is overlap and duplication. This is common sense reform.

My budget will prioritize funding to continue performance audits of the top 12 agencies. We will fund this effort by immediately recalling the \$30 million that was given to the Health Department after the agency misrepresented their financial standing to the Legislature.

We will also reimagine state government so that our customers – Oklahoma taxpayers – are the primary focus. This is why I have placed a special emphasis in my administration on the digital transformation of state agencies. Today, I am calling for the Legislature to fund a \$20 million grant program where agencies can apply to receive funds to bring their services into the 21st Century and to make government more customer-centered and efficient.

Imagine digital driver licenses that are Real ID compliant. Imagine titles available electronically. Imagine one site to obtain occupational licenses and one site to pay taxes. It is time to get it done.

It is time to improve our government's "D+" ranking in digital transparency and for the state government's checkbook to be online, up to date, and easy to navigate. It is time for an online dashboard where you can monitor my administration's progress on performance metrics we will set for delivering state services.

Turning our attention to education, my administration is committed to public education and understands that the large majority of our students attend public schools. Over the next few years, we will move the needle in outcomes. We will set high standards. We will enact reforms. We will invest in the classroom.

But we must first continue our investment in the teacher, because it's not programs, curriculum, or resources that students will remember. The magic happens between the student and the teacher in the classroom.

We are confronted with a nationwide teacher shortage. This is not a problem unique to our state, but Oklahoma was among the hardest hit. With recent revenue growth, I ask the Legislature to bring our teachers to number one in our region in pay and benefits. This amounts to a \$1,200 increase per teacher.

I am also calling for the Legislature to fund a bonus recruitment program, up to \$5 million, to encourage certified teachers to stay in Oklahoma after graduating college, to return to the classroom after a hiatus, or to move to Oklahoma for the first time.

I applaud Representative Rhonda Baker's collaboration to get this effort underway, and I appreciate House Minority Leader Emily Virgin and her caucus for their support of a continued pay increases for our teachers.

We must also standardize the certification test for Oklahoma's teachers, get rid of the five-year renewal fee, and reduce unnecessary paperwork and bureaucracy on high-performing schools and instead shift resources to help schools who need it the most.

But these reforms and continued investment from the state will not be enough to make Oklahoma's education system competitive. We must do the hard work of reimagining education.

Consider Cecilia Robinson-Woods, the Superintendent of the Millwood School District in Oklahoma City. After assessing the resources and unique challenges of her district, Cecilia reimagined ways to recruit and retain talent in her classrooms. It was important that teachers were not just skilled in their profession, but that they also were passionate leaders who could shape the culture of their schools and district. Cecilia partnered with Teach for America, utilized opportunities offered under state law, and implemented a new reading program. Today, the Millwood School District has seen dramatic, positive progress in outcomes.

Cecilia, thank you for being here today.

We must also look at ways to better stabilize the funding of public education. The fact that Texas is preparing to pass a teacher pay increase – at a cost of \$3.7 billion – compels us to review and reform our state's funding formula and to take the handcuffs off local communities wanting to compete, recruit, and retain the very best teachers. We must chart a bold course that allows for communities to do more for their students without being penalized with the loss of state support.

State government cannot fix education's funding needs alone. We must stand arm-in-arm with communities, cities, and counties. Oklahoma is stronger when we are all working together.

The process of reforming the formula demands a reimagining of school districts so we can ensure not just equal funding per student, but also equal opportunity. This will take time to study what other states are doing, what is working, and what challenges we must address that are unique to Oklahoma. I am committed to be a continuous learner in this area and a leader in the discussion.

We must not forget that education should be first and foremost about our students, not about systems. I will sign into law any legislation that seeks to break down the silos between common education, career techs, and higher education so that we can better align the education experience for Oklahoma's children and prepare them for tomorrow's workforce of machinists, computer programmers, engineers, and more.

Next, let us take a moment to reimagine our state's criminal justice system. We are number one in the nation for incarceration. To move the needle, it will require us to change the way we see the person who is in a cycle of incarceration for non-violent crimes.

Many years ago, I was introduced to Melinda who held the titles of daughter, mom, and fellow Oklahoman – but to the prison system, she was a drug offender. When I met her, she was looking for hope, for a better life for her son, and for an opportunity to change course.

Today, she has been an employee at Gateway for more than 13 years. Her entry into the workforce was key to remaining sober and to becoming a thriving individual in our society. Melinda's story of redemption was possible because of a community of people who stepped in, walked with her, and gave her opportunity.

Melinda, you are why I believe in second chances. Thank you for being here today. There can be more stories of redemption like hers. It is why my budget requests: \$1.5 million to Women in Recovery, a public-private partnership to help women identify the roots of their addictions and develop life skills, and \$10 million to the County Community Safety Investment Fund, a criminal justice reform initiative the people of Oklahoma approved with SQ 781.

But money is not the sole action government must take. I am encouraged by legislation in the House to accomplish licensing reform for those with a felony. We must give Oklahomans re-entering society more opportunities to be gainfully employed and we must give employers more discretion on who they can hire.

We must also remember the people who work hard every day to keep our correctional facilities clean, safe, and operating. They are on the front lines of delivering core government services, and as revenue continues to improve, I urge us to consider ways we can better improve their work conditions and compensation.

In my budget, we will also use revenue growth to address two critical healthcare programs in Oklahoma: The Graduate Medical Expense Program to train doctors, a cost of \$62 million, and the Children Health Insurance Program, a cost of \$14.8 million. These programs remind us why we must be judicious and thoughtful about seeking federal funds. In Fiscal Year 2020, these two programs alone will cost the State of Oklahoma \$77 million that the federal government once paid – a 6.8 percent increase to the healthcare authority's budget. When Washington, D.C. wants to end a program, we are left holding the bag and covering the cost.

While Medicaid expansion currently stops at a 90 percent federal match, we cannot assume that it will remain this high forever. The estimated \$150 million price tag today for Oklahoma to expand Medicaid could leave us down the road fronting more than \$1 billion when the federal government pulls back on its commitment. They've done it before and they will do it again.

Medicaid is the fastest growing expense in our state budget, and before we commit our state to accepting even more Medicaid dollars, Oklahomans deserve accountability and transparency with our state's management of the Healthcare Authority.

Oklahoma is the only state in the nation where the governor does not have the authority to provide oversight of this agency. We are sticking out like a sore thumb, and this must change.

Healthcare is also preventative, promoting wellness through education, personal responsibility, and raising awareness. Today, I am announcing my partnership with the Oklahoma City Memorial Marathon to hold a Governor's Relay Challenge, and I invite you to join me! I'll be forming my own team to compete in the relay, and the team that wins will join me for lunch at the Governor's Mansion later this year.

Let's now move to the economy. In order to make our efforts in state government sustainable, we must first grow Oklahoma. We need more taxpayers, not more taxes.

We will reimagine our economy by diversifying our marketplace, strengthening our workforce, and encouraging Oklahomans to start new businesses. Our rules must be clear, our regulations must make sense, and our tax code must remain competitive with our neighbors.

At the Department of Commerce, I have hired the very best talent in the state to lead this critical agency, and they have set measurable goals and are running hard to tell the world Oklahoma is open for business.

To best equip the agency's mission, I ask the Legislature to support additional funds for the governor's Quick Action Closing Fund. Since its inception, the state has granted \$11 million in total awards which attracted high paying jobs with the Macy's large distribution center in Owasso, with Boeing's relocation of the Aircraft Modernization and Sustainment business unit, and with the Commercial Metals Company in Durant and many more.

Today, the balance of Oklahoma's Quick Action Closing Fund is \$4.3 million. By comparison, the latest legislative report for the Texas Enterprise Fund indicates the state has awarded \$609 million from its Quick Action Closing Fund, resulting in 94,347 jobs. In Arkansas, their fund has awarded over \$120 million, resulting in 26,684 jobs.

You can help me sign on the dotted line for new opportunities to grow Oklahoma and demonstrate to the nation that Oklahoma is not afraid to compete with our neighbors and that we intend to win!

As we close our time together, let's end by reimagining our state budget. I promised Oklahomans that we would get to the bottom of every tax dollar and I promised to be transparent and open about the budget process.

For the first time in recent history, the governor's budget provides you with every tax dollar we could find across the 12 largest agencies, which are spending 90 percent of the state's total budget. It is important we talk in total dollars. This was the one consistent request I heard from Oklahomans across the campaign trail.

In this budget packet I have also included agencies' current performance goals. As we move forward together this year, my administration will be working with agencies to hire the best people, raise accountability, and deliver measurable results.

My vision for the budget is for it to become a meaningful resource each year, to establish a common language for lawmakers and tax payers and create a transparent budget process.

Now, as we dig into the numbers, instead of across the board increases in FY'20, my budget addresses more than \$230 million in obligations and another \$151 million in critical needs.

My budget also casts a bold goal for our state's savings account, I have said often why I believe the state needs \$2 billion in savings.

When we look at states where the economy depends on the price of oil, they place a strong emphasis on saving during the good years. One thing we know is true, oil prices are going to go up and oil prices are going to go down.

When energy prices tumble, it directly impacts the state's Sales Tax collection, the state's Income Tax collection, the Gross Production Tax, and various other revenue streams. We must be honest with ourselves and recognize that last year's tax increases made us more dependent on the price of oil. We must be good fiscal stewards of this decision by creating more stability through savings.

At the end of FY'19, our Rainy-Day Fund will have approximately \$874 million with no additional support from a stabilization fund often seen in oil-rich states. Meanwhile, Texas has \$12.5 billion in total savings to weather another economic downturn. North Dakota's total savings is more than \$5.8 billion.

This is why I am setting a goal for Oklahoma to have \$1 billion in our savings by the end of FY'20. To get there, we must set aside an additional \$250 million from revenue growth.

Being conservative with our budget surplus today will protect Oklahoma from having to cut core services in the future.

As I close, let us remember, the future doesn't just happen. We make it happen. As public servants, our responsibility and purpose are to ensure a better future for all four million Oklahomans. This will require us to be good listeners, continuous learners, committed communicators, and bold leaders – both inside the building and around the state.

Our vision is to make Oklahoma Top Ten.

Join me! As we work together, we will move our whole state forward.

God bless you and God bless the State of Oklahoma!"

*Pursuant to Title 69, Section 1521 of the Oklahoma Statutes, FY-2016 apportionments to the three transportation funds (less debt obligations) were reduced by 7% due to a statewide revenue failure. After final year-end closing, amounts attributed to the cuts that were found to be unnecessary to balancing the revenue failure were returned to the funds. An initial cut to agency budgets made during the FY-2017 fiscal year was fully restored after close of the year. The FY-2016 and FY-2017 amounts shown above reflect the final total amounts apportioned to each fund, respectively.				
**Pursuant to Title 69, Section 1521 of the Oklahoma Statutes, a finding must be made to determine whether "expenditures from the ROADS Fund were used to enhance or supplant state funding for the Department of Transportation (ODOT)." Effective July 1, 2006, the State Transportation Fund, ODOT's authorized source of state funding, became a revolving fund. As shown above, the ROADS Fund reached the \$575M statutory cap in FY-2019 and, therefore, enhanced transportation funding.				

OKLAHOMA EDUCATION LOTTERY TRUST FUND FEBRUARY APPROPRIATIONS ANALYSIS Schedule 4				
Article X, Section 41 of the Oklahoma Constitution and Title 3A, Section 713 of the Oklahoma Statutes requires the State Board of Equalization to determine if appropriations from the Oklahoma Education Lottery Trust Fund were used to enhance or supplant education funding.				
Column 1	Column 2	Column 3	Column 4	Column 5
	FY-2018 FINAL APPROPRIATIONS	FY-2019 APPROPRIATIONS	INCREASE OR (DECREASE)	PERCENT CHANGE
Education Funding	\$3,293,902,896	\$3,814,975,044	\$521,072,148	15.8%
Education Lottery Trust Fund	<u>69,710,567</u>	<u>71,805,272</u>	<u>2,094,705</u>	<u>3.0%</u>
Total Education Funding	\$3,363,613,463	\$3,886,780,316	\$523,166,853	15.6%

To determine if the Oklahoma Education Lottery Trust Fund supplanted or enhanced education funding, actual FY-2018 appropriations are compared to FY-2019 appropriations for the purposes outlined in lottery funding statutes. Education funding from the Lottery Trust Fund, as well as funding from all other sources, increased in FY-2019 over FY-2018 by \$523.2 million. Therefore, the Oklahoma Educational Lottery Trust Fund enhanced and did not supplant funding for education.

Additionally, Paragraph D prohibits deposits into the Revenue Stabilization Fund during any year in which revenue failure has been declared from the month of the declaration. Once the statutory limitation has been met, certifications and deposits will be made according to additional requirements and limitations of these sections of law.</p>

FEBRUARY DETERMINATION OF BASELINE		
Schedule 6		
<p>Title 88, Section 2355 1B, added by laws 2007, SB 357, as amended by SB 1092, effective November 1, 2007, requires that the Board of Equalization, at the Constitutional meeting, "2. Beginning with the February meeting in the sixth year after the Board determines an initial baseline amount, annually review such amount to determine if it differs from the average annual amount of revenue which was finally apportioned to the credit of the Teachers' Retirement System Dedicated Revenue Revolving Fund pursuant to Sections 1353, 1403 and 2352 of Title 88 of the Oklahoma Statutes over the most recent five (5) fiscal years. If the Board determines that the initial baseline amount is less than the five-year average annual amount, a new baseline equal to the five-year average annual amount shall be determined and applied as provided in paragraph 5 of Section 1353, paragraph 5 of Section 1403 and paragraph 3 of Section 2352 of Title 88 of the Oklahoma Statutes; and 3. Determine the proportion of the baseline amount attributable to each revenue source specified in paragraph 2 of this section whenever the Board determines a baseline amount."</p>

¹The Individual Income Tax number reflects apportionments to the ROADS Fund, the Public Transportation Fund and the OK Tourism and Passenger Rail Revolving Fund, as well as funding for the Oklahoma's Promise Scholarship program. For more ROADS Fund detail, see Schedule 3, page 3. In compliance with Section 34.87 of Title 62 of the Oklahoma Statutes, the State Regents for Higher Education has adopted an estimate of \$77.3M for FY-2020. The amount of money allocated from income tax revenue for FY-2019 was \$76.8M, and \$74.3M was funded for FY-2018. These amounts have been removed from the respective individual income tax numbers.

²Pursuant to HB1014XX passed during the Second Special Session in 2017 amending O.S. 69§ 1521 of the Oklahoma Highway Code, effective July 1, 2019, certain motor vehicle taxes and motor fuels taxes enacted by HB1010XX previously distributed to the GRF are to be directed into the ROADS Fund and an equal amount of personal income tax revenues currently diverted to the ROADS Fund will be redirected to the GRF. The ROADS Fund contributions estimated in December from redirected motor vehicle revenues, diesel fuel taxes, and gasoline fuel taxes for FY-2020 were \$196.5M, \$3M, and \$2M, respectively. February estimates are \$198.8M, \$53M, and \$52M. This schedule reflects the decreased revenues and offsetting GRF increases to personal income tax estimated contributions to the GRF.

³Pursuant to HB1019XX passed during the Second Special Session in 2017, amending O.S. 68, § 1403, the first \$19.6M and \$20.5M in use taxes for FY-2019 and FY-2020, respectively, will be apportioned to the Education Reform Revolving Fund (1017 Fund). These amounts have been removed from GRF use tax numbers.

THIRD READING

Representative Perryman raised a point of order, citing House Rule 9.4, and stated that the Rules do not allow the Presiding Officer to interrupt a Member during debate and that the Presiding Officer was incorrect in stating that debate must be confined to the merits of the bill.

The Presiding Officer stated that the point would be ruled on at a later time pursuant to House Precedent 9.2 - 7. (2009) *Presiding Officer May Defer Ruling on Point of Order*. Representative Stone was recognized to continue the debate on the measure.

Representative Stone requested that a ruling be provided before he continue with debate.

The Presiding Officer ruled the point not well taken citing § 121 of *Mason's Manual of Legislative Procedure*:

1. An ancient rule governing debate is that "No one is to speak impertinently, or beside the question, superfluously, or tediously."
5. If, at any time, the presiding officer rises to state a point of order, or give information, or otherwise speak within the presiding officer's privilege, the member speaking must sit down until the presiding officer has been heard.

The Presiding Officer further stated that the Member must confine his debate to the merits of the measure under consideration and the Presiding Officer is allowed to interrupt the debate of a Member.

Representative Stone appealed the ruling of the Presiding Officer receiving the required second of 1/15 of the membership.

Representative Echols moved to table the Stone appeal.

Representative Meredith raised a point of information inquiring what rule allowed an appeal to be tabled. The Presiding Officer directed the Member to House Rule 10.1 (b).

THIRD READING

Representative Wallace moved to rescind Third Reading of **HB 2126**, which motion was declared adopted.

Representative Wallace moved to amend **HB 2126** by striking the title, which amendment was declared adopted.

Representative Perryman raised a point of order pursuant to House Rule 9.3(b), which states, "... [t]he House shall not consider in either session of the current Legislature any measure originating in the House of Representatives if said measure has been amended by the insertion of matter not germane to the subject of the bill or resolution." Representative Perryman requested a ruling of the Chair as to whether **HB 2126** was in order since the author of the measure stated that the amendment adopted in committee was not germane.

The Presiding Officer ruled both by custom and practice and by prior Precedent, once a committee has adopted language and a committee report has been filed, there is not a valid point of order regarding the germaneness of the content of the bill. There is opportunity to object in committee, for the Chair to rule and for there to be an appeal of the ruling. House Rule 9.3 is part of a series of Rules related to Chamber Protocol. Germaneness is an objection which is related to the consideration of an amendment to a measure. Unless an amendment is being proposed during floor action, the topic of germaneness has already been fully addressed during a committee process, therefore the point is not well taken.

Representative Perryman appealed the ruling of the Presiding Officer receiving the required second of 1/15 of the membership.

"The question is, shall the decision of the Presiding Officer be the decision of the House? All those in favor signify by voting 'Aye'; those opposed 'Nay'. The vote is now in progress."

The decision of the Presiding Officer was upheld upon roll call as follows:

Aye: Baker, Boatman, Boles, Burns, Bush, Caldwell (Chad), Caldwell (Trey), Conley, Cornwell, Davis, Dills, Echols, Ford, Grego, Hardin (David), Hasenbeck, Hilbert, Hill, Humphrey, Johns, Kerbs, Lawson, Lepak, Luttrell, Manger, Marti, Martinez, May, McDugle, McEntire, Mize, Moore, O'Donnell, Olsen, Ortega, Pae, Pfeiffer, Randleman, Roberts (Dustin), Roberts (Sean), Roe, Russ, Sims, Smith, Sneed, Stark, Steagall, Sterling, Tadlock, Talley, Taylor, Townley, West (Josh), West (Tammy), Wright, Mr. Speaker.--56.

Advising of his veto of **HB 1205** on April 16, 2019. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-seventh Oklahoma Legislature

Enrolled House Bill No. **1205**

By: Bush of the House and McCortney of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **1205**.

House Bill **1205** would create the Oklahoma Home and Community-Based Services Ombudsman Program Task Force. The fourteen person task force would “make a recommendation to the Governor, the Speaker of the House of Representatives, and the President Pro Tempore of the Senate regarding the creation of an ombudsman program to serve recipients of in-home and community-based care and services.” The safety of those Oklahomans receiving in-home and community-based care and services is of utmost concern to me. While I support the underlying purpose of this task force, I would like to address this matter through a more direct and effective means. As Governor, I have tasked my Cabinet with analyzing every agency under their purview. I will work with my Cabinet Secretary and agency directors to insure the safety of these Oklahomans and work with the authors of this legislation to implement any necessary changes discovered through our review of the agency.

For the above reasons, I have vetoed House Bill **1205**.

By the Governor of the State of Oklahoma

To the Honorable Speaker of the House

Enrolled House Bill No. **1968**

By: Ford of the House and Haste of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **1968**.

House Bill **1968** would insert state government into contract disputes between firefighter and police officer unions (“unions”) and municipalities. These disputes are best resolved through arbitration, as currently provided in statute. The insertion of state government in these disputes is improper and not in the best interest of Oklahomans.

Advising of his veto of **HB 2465** on April 30, 2019. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-seventh Oklahoma Legislature

Enrolled House Bill No. **2465**

By: Dunnington of the House and Rosino of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have vetoed House Bill **2465**.

House Bill **2465** would, in part, require agencies to pay employees for overtime worked, even if said work was unapproved by the agency, and mandate certain employees be paid overtime instead of compensatory time, regardless of the desire of the agency or the employee. State employee pay and benefits, including overtime pay and compensation time, is critical to ensuring Oklahoma retains the best and brightest in state government. Unfortunately, there are not across the board policies for all state agencies and employees, currently in statute. Although House Bill **2465** attempts to standardize a fraction of these

issues, I believe a broader conversation needs to occur whereby we develop uniform across-the-board policies for state agencies and employees and I am committed to working with the authors of the bill to develop such policies and any necessary legislation.

For the aforementioned reasons, I have vetoed House Bill **2465**.

By the Governor of the State of Oklahoma

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-seventh Oklahoma Legislature

Enrolled House Bill No. **2289**

By: Wright of the House and Howard of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **2289**.

House Bill **2289** would modify the procedures regarding how a service provider perfects a special lien on a certain property. Specifically, the Bill would allow for multiple resubmissions if the initial application is denied and extend the time to resubmit a denied application from 15 business days to 30 business days. This would nearly double the amount of time a service provider can hold property without providing notice to other lien holders, including financial institutions and automobile dealers, resulting in devaluation of the property to occur. In addition, the increased length of time would unnecessarily increase consumers' costs for storage.

For the aforementioned reasons, I have vetoed House Bill **2289**.

By the Governor of the State of Oklahoma

Advising of his veto of **HB 1018** on May 14, 2019. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-seventh Oklahoma Legislature

Enrolled House Bill No. **1018**

By: McEntire of the House and Pugh of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have vetoed House Bill **1018**.

Current law mandates State Department of Health (“SDH”) and the State Department of Education (“SDE”) update HIV and AIDS education curriculum material as newly discovered medical facts become available, therefore making House Bill **1018**’s repeal and replace of statutory requirements unnecessary.

With the Trump administration placing a high priority on ending the HIV and AIDS epidemic by 2030, I encourage SDE and SDH to leverage their authority under current state law to work with their federal counterparts, to include the Center for Disease Control, to ensure AIDS education curriculum is medically accurate.

For the aforementioned reasons, I have vetoed House Bill **1018**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Advising of his veto of **HB 2036** on May 14, 2019. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-seventh Oklahoma Legislature

Enrolled House Bill No. **2036**

By: Davis of the House and Bergstrom of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have vetoed House Bill **2036**.

House Bill **2036** would mandate the Oklahoma Department of Public Safety promulgate rules and procedures to allow for commercial driver license renewals at tag agencies. The State is currently modernizing the entire driver license system, including renewals, in order to move towards compliance with Real ID and improve the overall customer experience. Thus, House Bill **2036** is unnecessary.

For the aforementioned reasons, I have vetoed House Bill **2036**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Representative Steagall moved that when the clerk's desk is clear, the House stand adjourned to reconvene at 1:30 p.m., Wednesday, May 15, 2019, which was the order.

Pursuant to the motion of Representative Steagall, the House was adjourned at 10:20 a.m., to reconvene Wednesday, May 15, 2019, at 1:30 p.m.

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-seventh Oklahoma Legislature

Enrolled House Bill No. **1940**

By: Strom of the House and Hicks of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have vetoed House Bill **1940**.

House Bill **1940** makes it unclear as to who has the authority to define what constitutes “valid excuse” as it relates to a child’s absence(s) from school. This uncertainty is not in the best interest of students.

For the aforementioned reasons, I have vetoed House Bill **1940**.

Prior to the Clerk opening the voting machine, Representative Perryman raised a Point of Order, pursuant to Section 314 of *Mason's*

Manual, stating that this was a demand for a division and that the demand to divide the question was not a motion.

Advising of his veto of **HB 1979** on May 28, 2019. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-seventh Oklahoma Legislature

Enrolled House Bill No. **1979**

By: Ranson of the House and Rader of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have vetoed House Bill **1979**.

House Bill **1979** would create the Traumatic Brain Injury Task Force (Task Force). The eleven member Task Force would identify the needs of and best-practice approaches to traumatic brain injury survivors in Oklahoma. House Bill **1979** does not contain a sunset provision nor does it clarify whether members will receive travel reimbursement. I support improving healthcare outcomes for all Oklahomans, including those with traumatic brain injuries, I do not believe House Bill **1979** is the most direct and effective way to do so, and I will work directly with my Cabinet Secretaries and agency directors to address this issue and work with the authors of this legislation to implement any necessary changes.

For the above reasons, I have vetoed House Bill **1979**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Advising of his veto of **HB 2477** on May 28, 2019. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-seventh Oklahoma Legislature

Enrolled House Bill No. **2477**

By: McCall of the House and Treat of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have vetoed House Bill **2477**.

House Bill **2477** would provide for certain changes to the procedure used by the Oklahoma Tax Commission for the garnishment of wages of certain license holders. House Bill **2477** would have a negative fiscal impact that has not been accounted for in the overall state budget for Fiscal Year 2020 and is not in the best interest of Oklahoma.

For the above reasons, I have vetoed House Bill **2477**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt
