Advising of his approval of **HBs 1001, 1773, 2072, 2229, 2277, 2352, 2374, 2375, 2380, 2458, 2462, 2511, 2568, 2665** and **2939** on April 23, 2021.

Advising of his veto of **HB 2088** on April 23, 2021. The veto message reads as follows:

To the Honorable Speaker of the House  
and Members of the House of Representatives  
First Regular Session, Fifty-eighth Oklahoma Legislature

Enrolled House Bill No. **2088**

By: McCall of the House and Thompson of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have VETOED House Bill **2088**.

Accountability and transparency remain top priorities for me and my Administration. It is crucial that all of state government remains responsible to the Oklahoma taxpayer. State agencies, as well as the Legislature and Judiciary, have a duty to manage those dollars in a responsible and efficient manner. This is why our state entities are billed for services they consume and provide.

House Bill **2088** would exempt the Legislature and Judiciary from fees and costs of services rendered by appropriated state agencies. While I recognize these branches provide vital functions to the state, this exemption shifts responsibility from one state entity to another, while all other state entities are required to manage their own costs of services directly. Further, House Bill **2088** contains no language guaranteeing additional appropriation to cover the cost of services to be provided to the Legislature and Judiciary, potentially resulting in a costly negative fiscal impact in the future. This unnecessary shift in responsibility does not comply with this Administration’s standards of accountability and transparency.

For these reasons I vetoed this same legislation last year, and for the same reasons I have vetoed House Bill **2088**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Advising of his veto of **HB 2090** on April 23, 2021. The veto message reads as follows:

To the Honorable Speaker of the House  
and Members of the House of Representatives  
First Regular Session, Fifty-eighth Oklahoma Legislature

Enrolled House Bill No. **2090**

By: McCall of the House and Thompson of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have VETOED House Bill **2090**.

House Bill **2090** makes changes to the recently created Rural Broadband Expansion Council. It adds two new members to an unnecessary task force.

Digital transformation has been and remains a top priority for my Administration. Shortly after taking office, this Administration created a broadband task force and brought together key stakeholders to focus on improving broadband in our state. As a result, our state's broadband service has improved from 47<sup>th</sup> to 25<sup>th</sup> in the nation during my time in office. We brought together key players in this arena and the Administration's task force yielded great results. This legislation does nothing to improve a duplicative task force.

For these reasons I vetoed the creation of this task force last year; for the same reasons I have vetoed House Bill **2090**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Advising of his approval of **HBs 1102, 1146, 1715, 1777, 1783, 1816, 1904, 2087, 2271, 2275, 2295, 2297, 2323, 2327, 2441, 2465, 2648, 2656, 2680, 2775, 2860, 2861, 2870, 2871 and 2930** on April 26, 2021.

To the Honorable Speaker of the House  
and Members of the House of Representatives  
First Regular Session, Fifty-eighth Oklahoma Legislature

Enrolled House Bill No. **1759**

Pursuant to House Concurrent Resolution **1006**, I hereby return Enrolled House Bill No. **1759** by Ranson et al. of the House and Taylor et al. of the Senate, for the purpose of reconsideration by the House of Representatives and the Senate.

HCR **1006** provides for the recall of Enrolled House Bill **1759**, from the Governor's desk.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Advising of his veto of **HB 2313** on April 26, 2021. The veto message reads as follows:

To the Honorable Speaker of the House  
and Members of the House of Representatives  
First Regular Session, Fifty-eighth Oklahoma Legislature

Enrolled House Bill No **2313**

By: Lawson of the House and Haste of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have VETOED House Bill **2313**.

House Bill **2313** would subject private children's facilities to additional and unnecessary inspections. Currently, these facilities are already subject to regular inspections by the Department of Human Services. Further, these facilities are subject to additional inspections whenever a complaint is made. House Bill **2313** would allow the Office of Juvenile System Oversight to conduct further inspections of privately operated children's facilities in addition to the inspections listed above.

Creating additional inspection requirements at this time is unduly burdensome without actually increasing the safety of children.

For these reasons, I have vetoed House Bill **2313**.

Representative Pfeiffer moved that when the clerk's desk is clear, the House stand adjourned to reconvene at 9:30 a.m., Tuesday, April 27, 2021, which was the order.

Pursuant to the motion of Representative Pfeiffer, the House was adjourned at 1:55 p.m., to reconvene Tuesday, April 27, 2021, at 9:30 a.m.

Advising of his veto of **HB 1090** on April 28, 2021. The veto message reads as follows:

To the Honorable Speaker of the House  
and Members of the House of Representatives  
First Regular Session, Fifty-eighth Oklahoma Legislature

Enrolled House Bill No. **1090**

By: Kendrix of the House and Howard of the Senate

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have VETOED House Bill **1090**.

House Bill **1090** would empower the State Auditor and Inspector to audit all books and accounts of any public officers, institutions, and other governmental entities without first receiving a request from the Governor, the chief executive officer of an agency, or a resolution from the Legislature. The change is a dramatic departure from existing state law and established practice and procedure.

House Bill **1090** would create a system where the State Auditor and Inspector is not accountable to any other arm of state government, which would fundamentally alter our system of checks and balances in Oklahoma. The existing law already requires that the agency being audited bear the cost of the audits. This could unnecessarily burden state agencies preventing them from performing their authorized statutory and constitutional duties.

For these reasons, I have vetoed House Bill **1090**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Representative Pfeiffer moved that when the clerk's desk is clear, the House stand adjourned to reconvene at 9:30 a.m., Thursday, April 29, 2021, which was the order.

Pursuant to the motion of Representative Pfeiffer, the House was adjourned at 2:25 p.m., to reconvene Thursday, April 29, 2021, at 9:30 a.m.
