Advising of his approval of **HBs 1011, 1012, 1013** and **1025** on October 5, 2022.

Advising of his veto of **HB 1009** on October 5, 2022. The veto message reads as follows:

To the Honorable Speaker of the House  
and Members of the House of Representatives  
Second Regular Session, Fifty-eighth Oklahoma Legislature

Enrolled House Bill No. **1009**

By: Wallace of the House and Thompson of the Senate

Pursuant to the authority vested in me by Section 12 of Article VI of the Oklahoma Constitution to approve or disapprove any appropriation bills, or any item therein contained, I have vetoed Enrolled House Bill **1009**.

Section 1 of Enrolled House Bill **1009** would appropriate to the Oklahoma Education Television Authority (OETA) \$8,185,000.00 or so much thereof as may be necessary to make infrastructure upgrades to maintain and enhance datacasting and emergency alerting communications statewide.

Spending over \$8 million of taxpayer dollars on upgrades without a clear, long-term, strategic plan for these funds is not responsible spending.

Furthermore, as I have implored the Legislature from the beginning, these one-time funds present a unique opportunity to have a generational impact and leave a legacy for generations. It is preferable that these funds be used for infrastructure and water projects and long-term strategic investments that will change the trajectory of our state.

For these reasons, I have vetoed Enrolled House Bill **1009**.

By the Governor of the State of Oklahoma

/s/ Kevin Stitt

Advising of his veto of **HB 1015** on October 5, 2022. The veto message reads as follows:

To the Honorable Speaker of the House  
and Members of the House of Representatives  
Second Regular Session, Fifty-eighth Oklahoma Legislature

Enrolled House Bill No. **1015**

By: Wallace of the House and Thompson of the Senate

Pursuant to the authority vested in me by Section 12 of Article VI of the Oklahoma Constitution to approve or disapprove any appropriation bills, or any item therein contained, I have vetoed Enrolled House Bill **1015**.

Enrolled House Bill **1015** would appropriate to the Oklahoma Department of Emergency Management and Homeland Security (OEM) \$6,000,000.00 to “construct nine regionally located emergency operations centers” throughout the state.

OEM does a great job coordinating with local communities when emergencies and natural disasters occur. While I continue to support the great work OEM does in responding to natural disasters, the strategic, long-term value of this appropriation has not been clearly established.

For this reason, I have vetoed Enrolled House Bill **1015**.

**HBs 1008, 1009, 1011, 1012, 1013, 1014, 1015** and **1020** were reported correctly engrossed, properly signed, in open session, and ordered transmitted to the Honorable Senate.
